Subject: Note on missing HSCA files and the CIA Segregated Collection
Attached to the hard-copy of this E-Mail is my memo to Jeremy of 10/5/95, re: Missing HSCA documents and the CIA Segregated Collection.I am re-circulating it because it is worth noting that Matt and Kris have only processed that part of the CIA Segregated Collection which the CIA decided to open. In that subset, they discovered almost 70 formerly "missing" HSCA documents.Kris and I believe that it is safe to assume that the remaining portion of the CIA Segregated Collection -- which the CIA still wishes to have postponed -- will contain additional "missing" HSCA documents. This is something that should be borne in mind when the Segregated Collection is reviewed.
