Subject: Holiday lunch
Any ideas yet for where we should go for our CIA-team holiday lunch on Wed., Dec. 20? If it's a place requiring reservations, I should make them pretty soon. What are people looking for? Festive holiday decorations? Large quantities of food? Relaxing atmosphere? The Jaleo sort of menu, or the Red, Hot and Blue sort? Or something ethnic? If I could get everyone in my car, it would give us a lot more flexibility in where we can go. What do you think about 6 people in a LeBaron? (It's at least bigger than a Saturn, although still supposed to seat only a max of 5).
