**Subject:** The Cuba summary page(s)  
As we discussed, I am compiling what I think will become our tracking/info page on the anti-Castro Cuban groups and individuals. It is a somewhat longer task than I expected, and I will not be done by this afternoon's scheduled meeting. I am going to take the materials we are using (all unclassified, obviously), and creating the remainder of the document at home tonight. I will bring it, and the disk upon which I create it (I am aware that once here, the disk becomes ARRB property) to the office tomorrow, so that we can add any information, classed or unclassified, to it at that time. Thank you.
