Reid 2930 West Pioneer, #334 Irving, TX 75061 Dear Ms. Reid: It was a pleasure to speak with you about the John F. Kennedy Assassination Records Review Board. Your information concerning a second shooter during the assassination is of interest to the Review Board. Your quick response to the Board's public request for information connected to the assassination is greatly appreciated. As we discussed over the telephone any records of your interaction with Bill Horbally including possibly a diary or photos for example, would be considered assassination related records which should be placed in the JFK Collection. I have enclosed a fact sheet and background in order to provide you with more information on the Review Board and the JFK Collection. On behalf of the Review Board I appreciate your interest in assisting our efforts to add records to the Collection. Please feel free to contact me at Ext.258 with any questions or concerns you may have. Thank you again for your assistance in this historical effort. Sincerely, David R. Montague, Investigator
