**Subject:** Goodpasture Deposition

I have added comments to the deposition outline, which is attached. To set them apart, I typed them in all bold caps. I also have attached a hard copy of the outline to a folder that I placed on your desk. In this folder, you will find documents that I have selected for possible exhibits and/or information "guides" for you. (You will find various memos and notes in the front that will not be exhibits but are for your background preparation.) I have organized the documents so that they are IN ORDER WITH THE OUTLINE. I have not numbered or stapled them because I would like to wait until you finalize the order. I believe that this will make less work for both of us in the end. In addition, I have placed some classified materials in the SCIF for your review. You will find a note with your name on it. If you have any questions over the weekend, you can reach me at home 703-525-7490. By the way, all arrangements have been made for the deposition. Tracy, David, and I worked out everything. I will give you the details later.
