Subject: CIA mystery document, cont.
Re the document with 13 redactions listed and 14 actually on the document (Chris e-mailed you about this earlier). You said it looked like a bug in counting 1a and 1b combos. Is this an acceptable solution for you, or does an inconsistency like this mess up the count for the Federal Register? If so, we'd better do something about the 1a/1b combos--in this case, get rid of one or the other. Please let me know.
