Subject: Draft letter to VA on Ivo Tucci records, and related subjects
Attached is the draft letter back to Celia Winn of VHA, per your request.[Which reminds me, you still have draft letters to the FAA (E-Mail of 11/27) and DEA (E-Mail of 11/29) to review -- also for the January meeting (I think they may even reference the 1/5 meeting). These are both in reference to the one Ferrie-related FAA-originated document I found (which contains a two-page Bureau of Narcotics attachment: hence the DEA letter). Unless these were approved and went out and I just missed it...]Many thanks.
