**Subject:** Secret Service Report  
I recall that you located a copy of the December 18, 1963 Secret Service Report on the Assassination of JFK in the Church Committee records. I am wondering if you remember seeing this report in any other collection at College Park. It is not in the Official Case File of the USSS. I know there is a copy at the FBI. Also, the Report is in two parts. The Church Committee copy that we have in the file here only has part one. Do you recall seeing part two open anywhere?
