Subject: White agenda

Body: Here's the deal, Chet: I have assigned all the docs that need to be assigned to the 12/13/95 meeting as yellow documents. I need a way to print a "consent agenda" looking list of these docs so that I am able to show the BOard which docs will be affected by their name day decisions. For the moment, I will be using the "print view" function of the yellow documents to do so, but I am wondering if you can make a clearer white agenda version for me to print. Call me at (703) 271-9339 if I haven't explained myself very well. Thanks.
