Subject: Re-review/release date
I'm having to leave now, and didn't get a chance to talk with either of you--the meeting is still running--but I wanted to let you know that I am extremely concerned about the Board's decision this morning to convert our re-review dates to release dates. This not only is an ex post facto decision but also one with far greater implications than the Board seems to realize. I'd like to talk further with you about this tomorrow, if you have time.
