**Subject:** Federal Register Notice

**Body:** We should all remember, when it comes time to do the Federal Register notice for the 12/13 meeting, that there are several HSCA documents (the Finck diary, and five Security Classified Testimonies) which we are "releasing" (they're technically CIA returns on NARA referrals) and which -- according to my understanding -- are to be referenced in some unique fashion in the notice. Remind me if I forget to remind you!
