**Subject:** FBI file numbers  
I have come across some FBI file numbers in the Security Classified Boxes of the HSCA which appear in neither the FBI databse nor their list of files to be processed. They are--105-128529 (Souetre) and 64-32630 (unknown). There are no documents with the 64-32630 number, only a withdrawal to CIA and a withdrawal to State. I think these withdrawals were done when the Committee was extant because they don't look like a NARA form.In a related matter, Michelle asked if we had looked at June Cobb's file at the FBI. She came across this number in a CIA document, 97-4057, which appears neither in the FBI database, nor on the lis of files to be processed. We should look at it if you think it would be useful
