**Subject:** 2 items: Immunized Executive Session Testimony  
I have been trying to confirm the status of various Immunized Executive Session Testimonies. The results are:1) Carlos Sanchez was on the list you wanted Barry to try and process; FYI, Sanchez is already open except for three pages in which a CIA employee's true name appears to be referenced (p. 42-44).2) Marita Lorenz is open except for 11 lines on p. 180 in which part of her medical history is referenced; NARA redacted this for privacy reasons. This aspect of Lorenz's medical history is also referenced, however, in The Last Investigation (p. 88). I have entered this document/redaction on the review track for Board processing.As for the rest of the Immunized Executive Session Testimony (as differentiated from Security Classified Testimony): Pedro Lanz, Robert Ray McKeown and Marcello are open in full, Sanchez and Lorenz are open except as noted above. Hall, Trafficante and Veciana are referred in full.
