**Subject:** Secret Service material at NARA  
I just talked to Steve Tilley, who said he would be glad to send us written confirmation that the USSS material in Box 15 of the LBJ Library material is open. We can show Steve's letter to the Board. Steve said that if John Machado wants confirmation that the material is open, he should contact the Archives. Steve said that Machado has seen the material, and he knows it is open.
