Subject: Summer Interns

Jeremy asked me to clarify with you that you would be responsible for making the cuts regarding intern applicants and be the primary interviewer for the summer interns. I will give you a copy of the "we are interested" letter and thank you again for the "no" letter. If you do not want to do the interviewing please let Jeremy and I know.I see this working this way. I receive the letter/resume of the applicant. I pass it along a copy to you and you let me know which letter to send them. If we are interested in interviewing the applicant, the letter I send them will state in it that they are to call and set up an interview with you. I have one applicant so far and will drop off the person's resume to you today.If you have any thoughts on this process let me
