Subject: Annual Report, re: Phil/Joan's HSCA docs for Nov. and Dec. meetings
As indicated, the draft paragraphs I submitted yesterday did not include Joan's/Phil's HSCA documents. As Joan is gone, and Phil's recollection is somewhat sketchy, my best shot at an addendum is as follows: Nov. meeting -- 32 HSCA records in addition to "mine" were processed by the Board; I gather from the minutes that these were Secret Service-related privacy issues having to do with the names of people who were listed in threat reports. Thus these 32 should be added to the total I gave for the Nov. meeting. Dec. meeting -- 3 HSCA records in addition to "mine" were processed by the Board; again, they were Secret Service-related; I gather two of them were already open at NARA II. I can't determine if they were privacy-related or not -- perhaps Jeremy recalls? In any event, 3 documents should be added to the Dec. HSCA total referenced in my draft for yesterday. Hope this helps.
