Review Board's representative in the call: Dave MontagueIndividual's Name: David Kepley of NARA's Motion Picture BranchDescription of the Call Date: 12/26/95Subject: Response On Further Scientific Evaluation At NARA Of Original Zapruder Film By A Non-Government SourceSummary of the Call: David Kepley of NARA's Motion Picture Branch left a message on my voice-mail confirming his shipment of NARA film evaluations and a list of certain films in NARA's possession. Kepley also mentioned that he discussed the issue of having the ORSK Zapruder film evaluated in a more scientific manner by a non-governmental entity with other NARA staff. Kepley asked that the ARRB make a request in writing suggesting such a procedure and he will present the request to NARA counsel. * I will ask Kepley for his general impression of how NARA's counsel will respond on this issue and make such information known to David Marwell. Kepley will be back in the office after the new year. Kepley's phone number is 301-713-7082.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
