**Subject:** Creating a new RIF in our database  
I have a record (Earl Ruby's tax returns) for which a NARA RIF exists, but which isn't in our Open/Referred/Postponed database. Unless the disk-updating project solves the problem before you return, could I ask your assistance in creating a new RIF for this record in our Review Track database, as I would like to get this before the Board on Jan. 5th. (the returns are already open; the Board would just be upholding NARA's SSN redactions -- CODE GREEN).
