Subject: Secret Service Developments
Before I left for the holidays, I was expecting some information to arrive in my absence, to wit: 1. A note from Steve Tilley stating that the Secret Service materials in Box 15 of the LBJ Library collection are open to the public. I was planning to show Steve's note to the Board at the Jan 5 meeting. Did Steve's note come? 2. Evidence for address postponements from the Secret Service. We asked the USSS to provide evidence by December 22. Did this come?
