Subject: labor

I just noticed that you have labor as a project to pursue. I recently glanced through Ben Bradlee's A Good Life, and I recall his mentioning that the Teamsters had hired a hitman with a silencer on his gun to come to Washington to use it on Bobby Kennedy. Bradlee said that Bobby Kennedy never talked about this specific case of potential assassination but that it was talked about by Bradlee's colleagues. Bradlee presented this as insider's information. I'm not sure if we know who it was.
