Subject: Joseph Oster
The week before Christmas, we sent a letter to Oster, a New Orleans private investigator, stating that we would be calling him with regard to any possible assassination records in his possession. This follow-up call has not been made yet. As I understand our new project assignments, this seems to fall in Laura's "New Orleans" bailiwick. I'd be happy to get Laura up to speed on Oster and have her take it from here, if you think that is appropriate. Please advise.
