Subject: Documents for upcoming meeting
I have two documents, #15-10056 and 10057, that contain FBI equities and have been coordinated (by CIA) with FBI. You are aware of both of these. Since both are now ready for Board action, I'd like to bring them before the Board at this next meeting, if you don't have an objection. Please let me know if you do--and let me know if you'd like to present them, rather than me, since the only redactions remaining are the ones that FBI has taken.
