**Subject:** eileen and jerrie  
Eileen will be out again today. She is starting to feel better and is confident that she will be back tomorrow. I didn't hear from Jerrie this morning, but she said the other night when she called that she expected to be out for a few days. If she does call today, I need to speak with her about some Board issues. Noelle, please do Christina's breaks and lunch today. Tom and David--if you need help with anything, please let me know. Thanks
