Subject: Cuba names
IAW our discussion yesterday, I have perused the segregated index and did some brainstorming about names we should be looking at first. Here are my "dirty dozen"; an asterisk indicates that their name is included in the segregated collection. David Morales, David Atlee Phillips*, William Harvey, Johnny Roselli, Rip Robertson, Grayson Lynch, Bradley Ayers, Antonio Veciana*, Manuel Artime*, Mitch WerBell*, Ted Shackley, and Gordon Campbell. In addition, I would suggest that we review or familiarize ourselves with the following groups included in the segregated collection: DRE, CRC, MIRR, and FRD. Finally, I have located the 1967 IG report twice in the collection: Reel 48, folder ZZ; and Reel 49, folder B. I believe that we should, at Jeremy's direction, request to see the unsanitized version asap, hopefully receiving a copy for the ARRB for us to prepare for Board review within the next two to three weeks.
