Subject: RIF numbers in Odd places
As we discussed this morning the following 2 RIF numbers are showing up in By meeting with documents and Mark Ready for Archive views: 104-10015-10030 and 124-10253-10068. Additionally, there are a few documents showing up in NO Category.Both of these oddities are in the Review Track Database. Thanks, as usual.
