**Subject:** USSS document with CIA equities

**Body:** I thought you should know this.To: David Marwell/ARRB, Jeremy Gunn/ARRB, Phil Golrick/ARRBcc: Noelle Gray/ARRB From: Joan Zimmerman/ARRB Date: 01/17/96 03:50:13 PMSubject: USSS document with CIA equitiesBarry Harrelson just called to say that the following document can be opened in full:180-10078-10450 (Agency File #009399)This document was originally on the October 20, 1995 list but was released by the Secret Service per the list of November 9, 1995. Since it contained names of CIA people, I gave it to Barry Harrelson for a check of names. He now says the CIA has no objection to full release. Since it has not previously been on our list of releases, it can be added to the Board's list for the January 30-31 meeting.
