Subject: Duplicates
I ran the duplicate macro on the two appropriate documents (124-10170-10115 & 124-10255-10334). There appears to be too many postponement details. The trunk document (124-10035-10119) only has 4 postponement details. There are no postponement voting forms for any of these documents because the board voted to Open in Full. Thanks for all your help in sorting this out.
