Subject: Documents for Dr. Hall.
In response to a request from Dr. Hall, the CIA team assembled a packet of documents in which the Board has released information which adds to the historical record. We were not told if his request was urgent. Concerned that it may be, we have placed copies of the documents in your mail box. If Dr. Hall needs this information immediately, please inform us and offer feedback on the selection of documents. If he does not, we will review this packet with Mary when she returns to work tomorrow.Thank you.
