Subject:

I've assured Kris (at NARA) that we sent her a copy of the 12/13 Fed. Reg. notice. It never reached her, apparently, but at least we tried. She says the address we have for her is fine. She'll let us know if she doesn't receive the one we mail out this week. On the subject of the 12/13 notice, I "notice" that I have copies of the cover letters sent to various Congressional potentates, but it would also be useful to have my own copy of the actual notice. Can you let me know where the file is so I can make myself a copy? Many thanks!
