Subject: Richard Lepsey
Kermit called to suggest we contact one Richard Lepsey of Baton Rouge (504-755-1333). According to Kermit, Mr. Lepsey was assigned to the Military District of Washington in 1963 and was present at the autopsy of President Kennedy. Lepsey is a prominent businessman and expects to hear from someone from the staff. Lepsey apparently indicated that he didn't know what he could offer, but Kermit suggests that he might be have information of use (viz. atmosphere during autopsy, number and kind of photographs taken, etc.). Can you either call Lepsey or assign an appropriate staff member to do so.
