Subject: J. Walton Moore personnel file/ Irving Davidson
In looking over the HSCA's staff report on George de Mohrenschildt (Vol. XII), I noticed that HSCA staffers reviewed J. Walton Moore's CIA personnel file; yet I don't see Moore's name listed in the Segregated Collection index. FYI.Also, Jeremy, some time ago you expressed an interest in I. Irving Davidson and, although I don't know what it entails, I recently noticed anew that Davidson is on my "project" list. In light of both these facts, I thought I'd mention that the CIA Segregated Collection (according to their hardcopy index) does contain 5 folders of documents bearing his name. Again, FYI.
