Subject:	Letter
Body:	Noelle -- here is a letter that we need to send out. I would like the date to read January 24, 1996, since I reference receiving a copy of a book "today." If you have already left for the day and can't get it out until tomorrow morning, please leave the date as "January 24..."As you already know, I would prefer just to do this myself (and thereby get it out today), but we have been instructed to go through you, so here it is!Thank you VERY much.Laura
