Subject: List of private materials obtained by ARRB

Body: Unless it is already being done, I think it would be useful for public relations to keep a complete list of formerly private documents obtained by the Review Board to be included in the JFK Collection. It could be useful for annual reports as well as for Board members.I think it would make sense to have either Eileen or Noelle keep the list, as well as related documentation (i.e. copy of deed of gift, NARA finding aids, etc.).
