Subject: My Accrued Sick Leave
Since its payday and it didn't happen again, I suppose its time to remind you that once again, my large accrual of Sick Leave from my previous job (over 900 hours) did not show up on my blue pay and leave statement. Please continue to do what you can to get this corrected. I would hope you could get Kansas City to correct this by the end of February, two pay periods from now. Thanks.
