Subject: Richard Lipsey
I spoke to Mr. Lipsey this morning. He was preparing to leave town on a business trip and was unable to talk for long, so we agreed to speak again next Tuesday to schedule an interview. He did tell me that so many of the stories coming out about the autopsy are "out right lies." He said he was interviewed by Lifton several years ago and felt he was "a nut." He feels that Posner's depiction of the events that occurred that night is the most accurate.
