Subject: Jeremy Needs Book "ASAP"

Body: Eric, I looked up a bunch of LBJ quotes for Jeremy, and one of the LBJ quotes (about the possibility of a nuclear war if certain rumors were not quashed and wanting Earl Warren to take the job as head of the presidential Commission) is reputed to have come from a book entitled: The Memoirs of Chief Justice Warren (Garden City, N.Y.: Doubleday, 1977), by Earl Warren (pages 356-58). Jeremy asked me to ask you to get this book from L.O.C.; I think he needs a firm quotation from the book on Thursday morning sometime. END
