Subject: Connick Subpoena

Harry Connick made it clear through his lawyer that he did not see any point in talking with Jack. Our attempt at a "friendly settlement" has failed. Consequently, we have issued the subpoena for the records that Connick has already promised on several occasions to provide us. Copies of the subpoena went out by fax last night, and the original is on its way by registered mail. We have decided not repeat not to make any public statement about the subpoena (including the fact that it has been issued) unless and until Connick goes to the press. I will keep you posted.
