Subject:	Final Determination Form problem
Body:	I had 20 HSCA documents from the Dec. meeting (Joan had an additional 3). Bob and Noelle have been helping me kick out the Final Determination Forms. The computer would not let me print them out in a batch -- I kept getting the message "Incorrect data type for operator or @Function: Text expected." So we resolved to kick them out one at a time. The computer printed out 11 of the 20 for me, but in 9 instances I still got the same message and the computer would not print them. Tom wants to send these documents out to NARA II on Wednesday, so I'm hoping you can help me!The ones that won't kick out seem to be (with one exception) those with multiple postponements, if that is a clue worth passing along. The record numbers are: 180-10076-10061 10076-10102 10076-10124 10093-10496 10117-10175 10117-10181 10117-10184 10117-10190Many thanks!
