Subject: Dallas Police Department Collection

Body: I talked to Steve; he says the 8 microfilm reels at NARA, described in NARA's JFK Collection Register as "Dallas Police Department Collection Concerning the Assassination of John F. Kennedy," are the same as whatever's at the Dallas Co. Archives, whatever that means. He has no hardcopy description of what's on the microfilm, when it was accessioned, what "generation" of the Dallas "collection" it represents, etc. He says there's info regarding this subject on the first reel of the tape. I'll try to look at it next time I happen to be out at NARA II.
