Subject: NOAA weather info/HSCA
I refined my database searches and located the weather/temperature documents you found in the HSCA report. I've attached the RIFs, which I copied from the boxes in our SCIF. You'll notice that the March/April readings (Agency File Number 008449) appear to be referred. I'll doublecheck the status of this document at NARA II at some point, and contact NOAA/Dept. of Commerce about clearing it if in fact it's not in the boxes out at College Park.HARDCOPY W/RIFS IN YOUR BOX.
