Subject: Time Card Matters
Please destroy (and do not show to ANYONE else in your office) the stuff I sent you yesterday. The fact that I have been asked to come in this weekend would be embarrassing to me and "problematic" if a certain other person found out...since he and I are working together reasonably well now (this week), I don't want anything to screw that up! Thanks. Mum's the word.I'm caught in the middle again--and it was dumb of me to even put that in writing.
