Subject: additional request to USSS
I mentioned to Tom that we received the press conference transcripts for Nov. 22, 1963, from the USSS today. He suggested that we also ask for the audio/visual footage of the Nov. 22, 1963 press conference. I have looked through Bonnie Curtin's report on USSS holdings. If the USSS has news footage, it might be listed under the case no. for the Kennedy assassination--and it might still be in USSS offices (Office of Investigations/Forensic Services Division/Visual Information Branch). Or, it might be in the historian's office The historian/archivist never mentioned it to me when I visited him in June, 1995.
