**Subject:** Patrick Dean  
Attached is a late (March of '79) HSCA OCR with Patrick Dean. In it, Dean says he has copies of all the polygraph questions at home. He also references DPD Officer Paul Bentley as being somehow involved with the polygraph test. I don't know if either of these guys are still around, or are worth trying to reach again, re: records of the 1964 Dean polygraph.
