Subject: Chart and bullet points
I have completed the creation of the chart and bullet points. These are in your in box. I have put the documents in the t drive so you have access to make changes if you wish. The filename is on the bottom of each document. When I have a minute I will look into having the heading automatically appear on both pages. Please note that I had not proof read either of these documents when you took them off my desk and made edits.
