Subject: Game plan

Based on the directives I received from David and Jeremy at yesterday's meeting, could you please re-review boxes 7-9 according to our latest revised guidelines, then proceed on the same basis with boxes 4-6, which Barry is bringing over this morning. To meet our quota for the next meeting (at least 200 documents), it looks like we'll need to get into boxes 10-12 as well. Chris, if Chet can fix the problem with the request for evidence forms for those boxes in time, we could give them to Barry to take back with him (he's coming mid-to-late morning). Please give me your documents as you review them, on a rolling basis (in small increments rather than singly, so you aren't running back and forth all the time). Of course I won't be here late afternoon today or all day tomorrow, but during that time you can stack them up for me on "my" desk in the skif for my return on Tuesday. Please mark them so I know what they are and leave me an e-mail as a reminder.
