Subject: Boswell Deposition

Although I have leave approved for tomorrow and all of next week, I consider myself "on call" to assist with any last minute or "crisis" preps for the Boswell Deposition. If you would like me to come in for a day to help wrap things up, or do research, please just call me the day or evening before and I will be there the next morning. My wife leaves on Sunday the 25th. If you desire my help, and timing permits a choice as to when this would be, next Thursday (22nd) or Friday (23rd) would be preferable to me. I could also come in early Sunday evening (after my wife leaves) if you would like just to make sure we are still organized and have all the exhibits ready to go the next morning. Is there anyone you want me to talk to or brief today in the way of "turnover" on where we stand on exhibit preps (i.e., explain what we have in the box on my table and in my brown bag), so that they will know where to look for things if you need something? (I was thinking of Joe or
