Subject: Boswell Deposition
The additional questions I have "blind copied" you on are the few that may not yet be on your written outline. They closely follow items we pursued at the recent Humes deposition. Tim Wray will be reviewing them in his new role, adding his own suggestions, and forwarding you a consolidated list of questions. He informed me today that henceforth he will be assuming the reigns of leadership of the Medical Team efforts. After today, I will funnel all of my inputs through Tim, per his request, for filter/review, unless I get an urgent or direct tasking from you.
