**Subject:** Charles Renton

I just spoke with Mr. Renton on the phone about coming up (from South Carolina) for an interview. He gave me the impression that he was not planning to come up, but would make a special trip. He asked that the interview either be at the beginning or end of the work week so he would miss as little work as possible. His is available for an interview starting the first full week of March. I told him I would get back to him. Please let me know what you want to do from here. Thanks.
