Subject: 2nd Call To Marty Barringer Re: FBI FOIA Material For Possible Donation
I'd like to discuss the wording in my draft letter next week to make sure we have addressed the issue appropriately before I give it to David for his ok...DaveCALL REPORTIssue # 9Document's Author: Dave Montague/ARRB Date Created: 02/16/96The Players Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 02/16/96Subject: 2nd Call To Marty Barringer Re: FBI FOIA Material For Possible DonationSummary of the Call:I spoke with George "Marty" Barringer" who is the Director of the Georgetown University Library Special Collections Division. Marty has 32 archival boxes which contain approximately 90,000 pages of photocopied "brown-outs" from the FBI. He wishes to donate this material to the Collection and has the authority to do so without any "red tape". According to Marty, this material has been underutilized by the public and the only researcher to review it has been Richard Trask. Phil and Jeremy are interested in having the material here to serve the efforts of the FBI Team. After reviewing the index for the material supplied to me by Marty, Phil thinks that the material may be sufficient for the Collection rather than the FBI having to provide their FOIA material. The material's possible value in the Collection has not yet been determined. I will ask Marty next week if we can give them a receipt for the material with the possibility of its being made part of the Collection if the Review Board deems it appropriate. I will send him a letter requesting the material for that purpose. Marty will not be able to transfer the material here but suggested that the Review Board could handle the material within two trips using a midsize car.Marty's information: Georgetown University Library~Special Collections DivisionLauinger Library37th & Prospect Street, NW, Washington, DC202-687-7452=general number 202-687-7444=Special Collections
