**Subject:** Visit to Treasury to Finish Review of Files  
CALL REPORTDocument's Author: Dennis Quinn/ARRB Date Created: 02/20/96 The Players Description of the Call Date: 02/20/96Subject: Visit to Treasury to Finish Review of FilesSummary of the Call:I called Joe to arrange a vist to Treasury this Thursday afternoon in order to finish looking through the boxes he retrieved from Suitland last summer. I explained to Joe that I would look through the remaining boxes and make a decision on whether they came under the definition of "assassination records" or not. I again advised him that there were at least two boxes of records that definately were assassination records, and that his office will need to review them for release under the terms of the JFK Act.
